

Natural gas powering Queensland jobs and economy—now and in the future

THE CONTRIBUTION

ADDED
 **\$106 billion**
 ... or 3% per annum to the Queensland economy

 **EMPLOYING MORE THAN 36,000 workers**

 **PAYING \$13 billion in taxes**

THE OPPORTUNITY¹

AN EXTRA
 **\$30 billion**
 of investment over the next 20 years

ADDING
\$129.3 billion
 to the Gross State Product of Queensland

GENERATING
 **\$1.4 billion**
 in tax revenue a year

THIS COULD HELP FUND

20 primary schools 

25 police stations  **30** fire stations

>1000 teachers  **>1000** nurses

+ 2200 extra full-time jobs by 2026 

¹ Under a 'high growth scenario', where in addition to investment for projects that are currently under development or have very high levels of investor commitment, Queensland is able to secure investment in projects that have higher levels of uncertainty associated with their development.
