

2022

**ENVIRONMENT AND
SAFETY EXCELLENCE**

AWARDS

SUBMISSION CRITERIA

Award categories

Thank you for your interest in the APPEA Excellence Awards 2022.

Since 2001, the awards have showcased the oil and gas industry's unwavering commitment to maintain high environmental and safety standards.

This document provides information to support the submission process. For more details, visit: www.appea.com.au or **APPEA member's portal.**

The APPEA Excellence Awards recognise outstanding achievements and performance from the previous calendar year.

Each year four awards are presented across two categories.

Company awards

APPEA full members wishing to showcase a range of initiatives should generally nominate for the company awards category.

- Company Environment Excellence Award
- Company Safety Excellence Award.

Project awards

APPEA associate members who have employed innovative approaches to support full member field operations are encouraged to apply for Project awards category.

- Environment Project Excellence Award
- Safety Project Excellence Award.

All award submissions are assessed against five key criteria:

- 1** Culture and leadership
- 2** Performance
- 3** Risk monitoring, evaluation and management
- 4** Engagement and collaboration
- 5** Innovation and external advocacy

In addition to the five key criteria, submissions may also provide additional supporting information as collateral such as: video (hyperlinks); graphics; reports; brochures; and publications etc.

Company award criteria

Environment

Culture and leadership	Performance	Risk monitoring, evaluation and management	Engagement and collaboration	Innovation, and external advocacy
<ul style="list-style-type: none"> • Positive environmental culture, including demonstrated engagement of senior leaders. • Demonstrated company-wide focus on environmental performance/duty. • Support to staff (e.g. training, induction and professional development). • How the company contributes to APPEA or otherwise provides industry leadership (provide examples). 	<ul style="list-style-type: none"> • Summary of environmental performance. • Demonstrated prioritisation of environmental outcomes. 	<ul style="list-style-type: none"> • Demonstrated of a systems-based approach to environmental management include: <ul style="list-style-type: none"> • provide detail of how existing and emerging environmental risks were identified, monitored, assessed and managed. 	<ul style="list-style-type: none"> • Provide evidence of collaborative and meaningful stakeholder engagement that positively influenced operational control measures. 	<ul style="list-style-type: none"> • Demonstrated lower cost solution for more efficient and improved performance. • Demonstrated innovation, e.g. use of automation, digitisation and/or application of clean technologies. • Demonstrated use of independent peer-reviewed science, including commissioned/published literature. • Commitment to supporting industry-wide performance improvement. • Sharing learnings with relevant stakeholders and industry peers.

Safety

<ul style="list-style-type: none"> • Positive safety culture, including demonstrated engagement of senior leaders. • Demonstrated company-wide focus on safety performance. • Demonstrated workforce consultation. • Support to staff (e.g. training, induction, and professional development), including Health and Safety Representatives (HSRs). • How the company contributes to APPEA or otherwise provides industry leadership (provide examples). 	<ul style="list-style-type: none"> • Summary of number and nature of reportable incidents over the award period. • Process safety (provide details on Tier1/2/3 events). • Personal safety (provide details on incidents/injuries). • Demonstrated prioritisation of safety outcomes. 	<ul style="list-style-type: none"> • Demonstration of a systems-based approach to safety/asset integrity management. <ul style="list-style-type: none"> • provide detail of how existing and emerging hazards were identified, monitored, assessed and managed. 	<ul style="list-style-type: none"> • Expand upon your approach to engage and collaborate with your workforce. • Detail how you have supported or empowered HSRs. 	<ul style="list-style-type: none"> • Demonstrated lower cost solution for more efficient and improved performance. • Demonstrated innovation, e.g. use of automation, digitisation and/or application of technology. • Demonstrated use of literature, data and analytics. • Sharing learnings with workforce, relevant stakeholders and industry peers. • Commitment to supporting industry-wide performance improvement.

Terms and conditions

The Excellence Awards are open to all APPEA members — full and associate.

- 1** Submissions should focus on performance, projects, and initiatives from the previous calendar year.
- 2** Submissions templates must be lodged in the approved manner (with relevant details and associated declaration) prior to the published closing date.
- 3** APPEA has discretion in deciding the outcomes of the Excellence Awards.
- 4** APPEA reserves the right not to announce award category winners in any given year.

Our values

Integrity

We are honest and ethical in all circumstances, even if no one is watching.

Transparency

We treat stakeholders with openness, honest and respect.

Diversity

We respect and value differences in individuals and their contribution to the industry.

Responsiveness

We establish harmonious and positive working relationships and respond to stakeholders' needs in a timely and effective manner.

Teamwork

We demonstrate cooperation and commitment to our peers.

Caring

We keep our environment and each other safe and healthy at all times.
